# C.T. Weber

Analyst / Union organizer  
Peace and Freedom Party

Please vote against this flawed undemocratic recall, in which a governor could be elected by a tiny fraction of Californians. Vote against racist Proposition 54, designed to conceal discrimination *and erode civil rights*

Stop the extremists who sponsored this recall from weakening workers' labor rights, taking away women's choice, and dismantling coastal and wilderness protections.

To reduce the huge deficit, we should stop expensive contracting of jobs to private firms that state workers do better for less money, substitute treatment and education for imprisonment of nonviolent drug offenders, restore higher tax rates on the wealthy, and enact split-roll property taxes so residents have low taxes and big corporations again pay their fair share.

California should abolish the death penalty. A single-payer system is needed to provide quality health care for all. Roll back student fee increases. Make polluters *Let our environment* clean up after themselves.

My qualifications include a Master's Degree in Public Administration, twenty years working for the State of California, long-time union activism and service in elected union offices and the Peace and Freedom Party endorsement.
